## ACTIVITY | THE FUN TUNNEL

Supplies: Construction paper, tape, small cars or toys that roll.

Instructions:

1. Using the construction paper, create a half circle with the paper and tape the edges to the floor. This should create a round tunnel shape big enough for cars or round toys to roll through.
2. Get creative and place the tunnels in whatever road shape you'd like!
3. To help your toddler follow the tunnel path, place pieces of tape on the floor, connecting one tunnel to another.
4. Have fun with your toddler by rolling the cars or toys between the tunnels!

## PRAY TOGETHER AS A FAMILY

Parents, we want to encourage you to speak Life and the Word of God over your family. We have found it makes all the difference! Pray the prayer below with your family.

*Dear God, we want to take time as a family to thank you for everything you've done for us. Thank you for loving us so much that you sent your son Jesus to save us. Help guide us to follow after you all the days of our life. Amen.*
